Technical information

| | | |
|-----------------------------|----------------|---|
| 1. List of Materials | Component Name | Non-woven fabric, melt-blown fabric, nose clip metal core plastic; mask belt made of elastic polyester spandex. |
| | Material | Polypropylene spunbonded Non-Woven Fabric/Melt-blown non-woven fabric |
| 2. Latex-free | Yes | |
| 3. Characteristics | Colour | Blue |
| | Case Weight | GW 9.2KG |
| | Case Dimension | 45*42*42cm |

| | | |
|-----------------------------------|----------------|--|
| 4. Sterilization Method | Non-sterile | |
| 5. Shelf Life | 2 years | |
| 6. Packaging Specification | Units per box | 50 units per box |
| | Units per case | 40 boxes per case, 2000 units per case |

Quality and Regulatory information

| | |
|-----------------------------|---|
| 1. List of Standards | The product is compliant with the following standards and regulations: FDA, EN149, GB/T 32610-2016 |
|-----------------------------|---|

Additional information

| | |
|-------------------------------------|---|
| 1. Container Loading | 40' HC 750 cases (1,500,000pcs) |
| 2. Storage & Temperature | <ul style="list-style-type: none"> • Store in a dry, Clean place and keep away from fire. • Store in dry and ventilation environment without corrosive gases. • Keep away from fire and inflammables. • The product should be protected from moisture and sealed during transportation. |
